HEALTHY EATING GUIDELINES

As part of the Social, Personal and Health Education (SPHE) Programme at Robinstown N.S. we encourage the children to become more aware of the need for healthy food in their lunch boxes.

What people eat is known to be a key factor influencing health. Research indicates a strong link between diet and performance.

To promote healthy eating habits in our school we introduced a healthy eating policy in the school.

Lunch is an important meal for school-going children. It should provide one third of their recommended daily allowance of nutrients.

The following guide is designed to help you provide quick, appetising and nutritious lunches for your children.

Vegetable break: On Wednesday children are encouraged to bring a chosen vegetable to school. Individual class teachers will decide on the time of the vegetable break.

We ask that children do not bring the following to school:

- Sweets
- Chocolate biscuits/bars
- Cereal bars, rice krispie squares, breakfast bars etc.

Treat Day

Friday will be our treat day eg. Fun size bar fun size haribos 2 biscuits small bun

In keeping with our **green school** ethos we aim to reduce our waste

With this in mind, children are also asked to:

- take home (in lunchbox) all uneaten food, silver paper, wrappings, containers and cartons
- put only fruit peel into the compost bins
- not bring in cans and glass – for safety reasons.

N.B. Parents/Guardians of any child with a medical condition which requires a special diet should contact the school.

Bon appétit.
